THE PANORA POOL VILLAS

The Panora Pool Villas –are 38 luxury residences that combines the benefits of villa lifestyle with the unique infrastructure of a large condominium. Panora Villas located within walking distance of gorgeous Surin and Bangtao beaches. The Panora brand itself has become a symbol of successful and splendid living by the sea on the Phuket island.

The main concept of The Panora Pool Villas is the comfortable living in harmony with nature. An attractive combination of the modern design with touch of traditional Thai style makes The Panora Pool Villas an architectural masterpiece on the coast of the Andaman Sea.

THE PANORA POOL VILLAS

The Panora Pool Villas project concept

The Panora Pool Villas offer a new concept of leaving at Surin and Bangtao beaches: private villa with the condominium complex's infrastructure. The main idea was to create a feeling of life in harmony with nature within walking distance from the sea with clear water.

We want you to enjoy the beauty of the nature without leaving your home. The owners The Panora Pool Villas will be able to use the common area of The Panora condominium: six swimming pools (four of which are located on the roofs and got panoramic sea view), restaurant, library, Spa and fitness centers with Turkish steam rooms.

Each villa has the private spacious swimming pool. On the ground floor, there are a living room with high ceiling, a kitchen and a multi-functional room, which can be used as an additional bedroom or as a lounge space overlooking the pool. On the second floor, there are two or three spacious open plan bedrooms, each one with the private bathroom with shower cabin or Jacuzzi bathtub. The complex also has a hotel-type lobby, a restaurant and parking spaces.
